

# PRIVACY POLICY FOR ATLAS MOBILE APPLICATION, WEB APPLICATION AND REPORTING SITE

Effective Date: 8 October 2024

This Privacy Policy explains how AbleLink Smart Living Technologies, LLC (“we”, “us”, or “our”) collects, uses, discloses, and protects your information when you use the ATLAS mobile software application (“Mobile Application”) for mobile devices, ATLAS web application (“Web Application”) and ATLAS web reporting site (“Reporting Site”); all of which were created by AbleLink Smart Living Technologies, LLC. The Mobile Application and Web Application are survey programs that collect responses to survey questions. The survey results are uploaded from the Mobile Application and Web Application and are available in the Reporting Site.

## 1. Information We Collect

### Web Application / Reporting Site

We collect the following types of information when you use our Web Application or Reporting Site:

#### a. User-Provided Information

When you register for an account, fill out forms, submit inquiries, or use certain features of the Web Application or Reporting Site, you may provide us with information such as:

- Personal information (e.g., your name, email address, phone number)
- Account information (e.g., username, password)
- Any other information you voluntarily provide while using the Web Application or Reporting Site

#### b. Automatically Collected Information

When you interact with the Web Application or Reporting Site, we may automatically collect information about your visit, including:

- IP address
- Browser type and version
- Operating system and platform
- Pages you visit within the Web Application or Reporting Site
- Date and time of your visit
- Referring URL (the website that directed you to our application)

We may also collect device-specific information such as device type, unique device identifiers, and network information.

### Mobile Application

We collect the following types of information when you use our Mobile Application:

#### a. User-Provided Information

When you register for an account, fill out forms, submit inquiries, or use certain features of the Mobile Application, you may provide us with information such as:

- Personal information (e.g., your name, email address, phone number)
- Account information (e.g., username, password)

- Any other information you voluntarily provide while using the Mobile Application

## **b. Automatically Collected Information**

When you interact with the Mobile Application, we may automatically collect including:

- IP address
- Operating system and platform
- Date and time of your visit

We may also collect device-specific information such as device type, unique device identifiers, and network information.

## **2. Precise, Real-time Location Information Collection**

The Mobile Application, Web Application, and Reporting Site do not collect precise information.

## **3. Cookies and Tracking Technologies**

Our Web Application and Reporting Site use cookies and similar tracking technologies to collect information about your interactions with our site. Cookies are small data files stored on your device that help us recognize you and are limited to functionality required by the Web Application and Reporting Site. You can manage your cookie preferences in your browser settings, but disabling cookies will keep the Web Application and Reporting Site from functioning properly.

## **4. How We Use Your Information**

We may use the information we collect for the following purposes:

- To provide, maintain, and improve the Mobile Application/Web Application/Reporting Site and its features
- To process your requests and respond to your inquiries
- To personalize your experience on the Web Application/Reporting Site
- To analyze usage and trends to improve our services
- To protect the security and integrity of our Mobile Application/Web Application/Reporting Site and comply with legal obligations

## **5. Sharing Your Information**

We do not sell your personal information to third parties. However, we may share your information for legal compliance and protection purposes. We may disclose your information if required to do so by law, or if we believe such action is necessary to comply with legal obligations, protect the rights or safety of our users, or prevent fraud.

## **6. Data Security**

We take reasonable measures to protect your information from unauthorized access, alteration, disclosure, or destruction. Information in transit is encrypted with industry-standard methods and algorithms. Information at rest is also encrypted with industry-standard methods and algorithms. However, no method of transmission over the Internet is completely secure, and we cannot guarantee the absolute security of your data.

## **7. Data Retention**

We will retain your information for as long as necessary to fulfill the purposes outlined in this Privacy Policy, or as required by law. When no longer needed, we will securely delete your data.

## **8. Your Rights**

You have the right to:

- Access, correct, or delete your personal information stored by us
- Withdraw consent for data collection, where applicable

To opt out of all data collection in the Mobile Application you can do so by uninstalling the Mobile Application. Uninstalling the Mobile Application will also delete all previously collected data stored on the device within the Mobile Application.

To exercise any of these rights, please contact us at [info@ablelinktech.com](mailto:info@ablelinktech.com).

## **9. Changes to This Privacy Policy**

We may update this Privacy Policy from time to time. Any changes will be posted in this document with the “Effective Date” updated. We encourage you to review this Privacy Policy periodically.
