Enabling Technology Fair

Innovation. Inclusion. Independence.

Experience hands-on demonstrations of innovative tools and software, connect with Tennessee's leading technology vendors, explore funding options, and meet the innovators driving accessible design and assistive technology.

This event is for individuals with disabilities, families and caregivers, older adults, service providers, case managers, students, educators, and anyone curious about the benefits of enabling technology!

Everyone is welcome & admission is completely free!

Thursday, February 5, 2026
12:00 PM – 5:00 PM

Chatt State Health Science Center

4501 Amnicola Hwy- *Use West Entrance*
